- Engineered marble
- Sealed natural stones
- Granite
- Lime Stone
- All types of tiles
- Quartz

Areas of application

- For interior & exterior applications of stone surfaces

Certifications

Member of
Indian Green Building Council

MIXING AND APPLICATION:

Note: Shake the container well for one minute before opening the container for use.

- Pour CLENZA Marble & Stone Cleaner on the stone surface and apply with a spray or mop or sponge or brush.
- For regular maintenance cleaning, dilute 3-4 caps (20-40ml) CLENZA Marble & Stone Cleaner in 10 Liter bucket of clean water.
- Allow the cleaner to sit on the surface for 2-3 minutes.
- Start cleaning: Clean the entire area with a mop.
- Wipe clean with a dry towel, lint-free cloth, or sponge.
- Repeat for heavily soiled areas using a non-abrasive scrubbing pad and wipe clean with a dry towel.
- Let the area dry completely before using for foot traffic.

TECHNICAL DATA

Appearance	Transparent liquid
Specific gravity	1.04 – 1.07
pH	7-8

Cautions :

Always protect neighboring surfaces including wood, carpet, metal, landscaping and other surfaces. Avoid contact with metals.

Do not mix with ammoniated cleaners as harmful fumes may result

Please wear hand gloves, nose cover and wear eye protection before and while using the product.

KEEP OUT OF REACH OF CHILDREN.

PACKAGING:

450 ml Spray bottle, 1 litre & 5 Litre cans

COVERAGE:

15 – 100 Sft depending on the porosity of surface and intensity of haze on the surface.

Shelf Life

Minimum Two(2) years when stored between >50°F (10°C) and <95°F (35°C) under shed, away from direct sunlight.

MAINTENANCE:

NOTE: All impregnating sealers and cleaners are maintenance products and hence surfaces applied with sealers need careful maintenance.

Maintenance of the sealed surfaces should not be done with general cleaner chemicals. Plain soft water is recommended to clean the surface. For periodic cleaning we recommend to use our MYK LATICRETE CLENZA AQ, neutral, water based cleaner. Acidic cleaners are STRICTLY NOT recommended. Please refer the Maintenance manual for more details.
