- Chrome fixtures
- Bronze fixtures
- Basins
- Mild Steel taps
- Sanitary ware

Areas of application

- For interior & exterior cleaning applications of CP fittings, sanitary ware and fixture surfaces

Certifications

Member of
Indian Green Building Council

MIXING AND APPLICATION:

Note: **Shake the container well before opening the container for use. Apply on small area to check if there is any adverse reaction with the surface.**

Gently shake the container and spray the cleaner on CP fittings, sanitary ware, basins etc. Spread the cleaner with a soft scrubber and leave it for 1-2 minutes.

Gently rub and rinse with water to get a glossy shine. For heavy stains, spray over the spots and rub with scrubber to spread followed by rinsing with water. Repeat the cleaning for better results.

TECHNICAL DATA

Appearance	Colorless to pale yellow liquid free from suspended impurities
Specific gravity	1.04-1.10
pH	3-4

Cautions :

Always protect neighboring surfaces including wood, Plywood, landscaping and other surfaces.

Acids, no matter how mild, may etch, lighten or remove the coatings from tops surfaces. Repeated acid washing may damage some surfaces.

Do not mix with ammoniated cleaners as harmful fumes may result.

Please note that this is a highly acidic based cleaner and hence care should be taken while using the same. Please wear hand gloves, nose cover and wear eye protection before and while using the product. **KEEP OUT OF REACH OF CHILDREN.**

cleaning all Natural stones and Engineered marble or Quartz.

PACKAGING: 450 ml

COVERAGE:

Coverage depends on the nature of surface and intensity of stains on the surface.

STORAGE:

After usage, close the container well sealed to avoid contamination and solvent loss. Store in original container only. Store and use between temperature 4° C and 40° C

WARRANTY:

MYK LATICRETE India Pvt Ltd warrants that MYK LATICRETE CLENZA TS is free from manufacturing defects and will not break down, deteriorate or disintegrate under normal usage for a period of One (1) year from month of manufacture subject to the terms and conditions stated in MYK LATICRETE Product Warranty

MAINTENANCE:

NOTE: All impregnating sealers and cleaners are maintenance products and hence surfaces applied with sealers need careful maintenance.

For general maintenance and cleaning of ceramic and vitrified tiles, use MYK LATICRETE CLENZA TC, general tile cleaner.
